

KOONDROOK-PERRICOOTA FOREST ACCESS 2011 CHRISTMAS PERIOD

Due to the ongoing construction of the Koondrook-Perricoota Flood Enhancement Project, the **Perricoota Forest at Torrumbarry** will remain **closed** over the 2011/12 Christmas – New Year period. This closure is for the safety of the public and will continue until works have been completed in this area.

Access to the Perricoota-Koondrook Forests downstream of Torrumbarry Weir is **available** from Perricoota Rd via Yarraman Lane and Lower Thule Rd, (weather permitting). Some internal road closures will apply around construction zones.

Access to the Koondrook-Perricoota Forest from Barham is **available** via the East Barham Rd during **Dec 23rd to Jan 3rd** inclusive. There will be no access to the forest via the Barber Ck entrance.
